

Food Giant Offers Aid With Lawns

Almost everyone finds yard and lawn work a chore. That's why area Food Giant Markets are giving away 44 famous King O'Lawn Power Edgers absolutely free, in a giant drawing to be held at each store.

Anyone with a home and a lawn will find the King O'Lawn Power Edger an invaluable aid in keeping the lawn trimmed and neat. Powered by a 2 Horsepower Briggs & Stratton Engine, the junior model edger can be adjusted to different trimming heights and easily trims around walls, trees, under fence and around old-shaped flower beds.

Anyone may enter the drawing and everyone has an equal opportunity to win. Customers may simply deposit their name and address on the back of a Food Giant register receipt and leave it in a convenient entry box. That's all there is to it. A separate drawing will be held at each of the 44 Food Giant Markets and so there will be one winner at every store.

Drawing for the 44 King O'Lawn Power Edgers will be held on Monday, June 4 at each store. No purchase is required to enter, so customers may enter often. Winners need not be present at the drawings as they will be notified.

Lomita Coed Wins Harbor Speech Test

Sharon Monroe, of 1891 W. 262nd St., Lomita, was named winner of the Highway Safety Speech Contest sponsored by the Wilmington-San Pedro Insurance Assn. at Harbor College.

She repeated her prize-winning speech at the regular meeting of the Association Monday night at the Fireside in San Pedro and received the \$150 prize from Denver Bullock, association president.

Sharon's speech entitled, "I Am A Good Driver," blamed psychological tensions for many driving faults and suggested means for their elimination.

Other contestants in the finals were Marge Karow, Charles N. Smith, and Mrs. Silvia Hayes. Ralph Beckett, speech instructor at Harbor, praised the speaking ability of all contestants.

Judges were Russell Crowell, hospital administrator; Richard Wonder, attorney; Kyle Percy, secretary of the Wilmington Chamber of Commerce; and Bullock.

The Insurance Assn. sponsors a poster contest each fall and a speech contest each spring at Harbor College in an attempt to make youthful drivers more aware of highway safety hazards.

Besides attending school, Miss Monroe works a full eight-hour shift at Ailtesearch Corp. as a clerk-stenographer.
